- 2016 – 2019
Diploma
Government Polytechnic College, Srikakulam
Mechanical Engineering
 - Percentage: 84.34
- 2015 – 2016
Board of Secondary Education, AP
Sarada Vidya Niketan, Singupuram, Srikakulam
 - CGPA: 9.8

PROJECTS

- Portfolio Static website**
 - In this website I added my details and certification links and my contact information. I have created by using the HTML5 for the basic structure, CSS3 for the styling and responsive web design and finally JavaScript for the functionality to make it responsive for the all kinds of devices.
- Websites cloned**
 - I have developed 2 replica static websites by taking reference of original sites i.e., Netflix and DCR - Partners using HTML5 & CSS3.
- Capstone Project**
 - I have developed a Colmar Academy project by using HTML5 for structure, CSS3 for the styling and I used media queries to help with different screen sizes.

CERTIFICATIONS

- TCS iON** Career Edge - Young Professional Certification.
- I have successfully completed **Front End Web Development** an online course offered by Great Learning Academy.
- I have successfully completed **Command Line and Git & GitHub** courses offered by Codecademy.
- Accenture** Developer Virtual Experience Program by **Forage**.
- I've successfully completed **Technical Support Fundamentals** an online course authorized by **Google** and offered through **Coursera**.
- Completion of Microsoft Excel and Google Sheets Certification by **Udemy**.
